

Incubus, Nowhere Fast

Will I ever get to, to where it is that I am going
Will I ever follow through with what I... with what I have planned
I guess it's possible, that I have been a bit distracted
And the directions for me are a lot less in demand.
In demand.

Will I ever get to where I'm going
If I do will I know when I'm there
If the wind blew me in the right direction. Yeah
Would I even care
I would.

I take a look around, it's evident the scene has changed.
And there are times when I feel improved, improved upon the past.
And there are times when I can't seem to understand at all.
And yes it seems as though I'm going nowhere really fucking fast.
Nowhere fast.

Will I ever get to where I'm going
If I do will I know when I'm there
If the wind blew me in the right direction. Yeah
Would I even care
I would.

I would.
I would.

Will I ever get to where I'm going
If I do, will I know when I am there
If the wind blew me in the right direction. Yeah
Would I even care

I would.
I would.
I would.
I would.
I would.
