

# Incubus, Stellar

Meet me in outerspace  
We could spend the night, watch the earth come up  
I've grown tired of that place, wont you come with me  
We could start again  
How do you do it, make me feel like I do  
How do you do it, its better than I ever knew  
Meet me in outerspace  
I will hold you close, If your afraid of heights  
I need you to see this place, It might be the only way  
That I can show you how, it feels to be inside of you  
How do you it, make me feel like I do  
How do you do it, its better than I ever knew  
How do you do it, make me feel like I do  
Do oh oh oh oh oh  
You are stellar  
You are stellar  
How do you it, make me feel like I do  
How do you do it, its better than I ever knew  
How do you do it, make me feel like I do  
How do you do it, make me feel like I do, Yeah.
