The future is on fire
We're of a dying breed
Don't understate our relevance
We're the eyes in the wolves and we witness the vultures feed
Stay wide awake, stay wide awake, yeah
Make haste 'cause predators proceed
Stay wide awake, stay wide awake, yeah
While all the vultures feed
Like angles in a sphere
We're of our own design
No more perpetual renaissance
With our words we make shapes and our angles can align
Their appetites callous and menacing
It humbles me
When prey softly outwits its predator
Such is a sight to see
Stay wide awake, stay wide awake, yeah
Make haste 'cause predators proceed
Stay wide awake, stay wide awake, yeah
While all the vultures feed.
