

# India.Arie, Can I Walk With You

I woke up this morning you were the first thing on my mind  
I don't know where it came from all I know is I need you in my life, yeah  
You make me feel like I can be a better woman  
If you just say you wanna take this friendship to another place

[Chorus:]

Can I walk with you through your life  
Can I lay with you as your wife  
Can I be your friend 'till the end  
Can I walk with you through your life (fades away)

You've got me wondering if you know that I am wondering about you.  
This feeling is so strong that I can't imagine you're not feeling it too.  
You've known me long enough to trust that I want what's best for you.  
If you want to be happy then I am the one that you should give your heart to.

[Chorus]

Now everyday ain't gonna be like the summers day.  
Being in love it really ain't like the movies screen.  
But I can tell you all the drama aside you  
And I can find what the worlds been looking for forever.  
Friendship and love together.

[Chorus]

Can I walk with you in your life?  
Till the day that the world stops spinning.  
Can I walk with you in your life?  
Till the day that my heart stops beating.  
Can I walk with you in your life?  
Can I walk with you  
Till the day that the birds no longer take flight  
Till the moon is underwater  
Can I walk with you  
Can I walk with you

This is the moment I've been waiting for  
Can I walk with you  
Can I walk with you  
Can I walk with you

You are everything I've been looking for  
Can I walk with you  
Creative intellectual  
Can I walk with you  
Can I walk with you as your wife
