

# India Arie, Get It Together

One shot to your heart without breaking your skin  
No one has the power to hurt you like your kin  
Kept it inside, didn't tell no one else  
Didn't even wanna admit it to yourself  
And now your chest burns and your back aches  
From 15 years of holding the pain  
And now you only have yourself to blame  
If you continue to live this way

(Chorus:)  
Get it together  
You wanna heal your body  
Get it together  
You have to heal your heart  
Whatsoever you sow you will reap  
Get it together

You can fly fly

Dark future ahead of me  
That's what they say  
I'd be starving if I ate all the lies they fed  
Cause I've been redeemed from your anguish and pain  
A miracle child I'm floating on a cloud  
Cause the words that come from your mouth  
You're the first to hear  
Speak words of beauty and you will be there  
No matter what anybody says  
What matters most is what you think of yourself

(Chorus)

The choice is yours  
No matter what it is  
To choose life is to choose to forgive  
You don't have to try  
To hurt him and break his pride  
Just shake that weight off  
And you'll be ready to fly

One shot to your heart without breaking your skin  
No one has the power to hurt you like your friends  
Thought it would never change but as time moved on  
That ugly duckling grew up to be a swan  
And now your chest burns and your back aches  
Because now the years are showing up on your face  
But you'll never be happy  
And you'll never be whole  
Until you see the beauty in growing old

(Chorus)  
(chorus)  
you can fly fly fly fly...  
you can live or you can die  
you know that life is a choice you make  
you can give or you can take

you can fly fly fly fly  
you can fly fly fly fly...
