

India.Arie, Good Morning

[Intro:]

doodoo doo doodoo doodoo doodoo doodoo doo [x4]

[Verse1:]

Good morning silence, Good morning to myself
Good morning to the pain in the center of my chest
It's crazy how much I miss a simple good morning kiss ohhh
Good morning independence or is it loneliness
I know I said I wanted this but I have regrets
I prayed for God's will to be done
The very next day you were gone
A good morning to the harsh realities of life, oohh
and good morning to the fact that we're not husband and wife (ohhh noo)
we made a promise to stay (always)
destiny got in the way
OHHHH

Good morning, oohhhh

(I am in love)

[Bridge:]

Good morning acceptance good morning inner strength
I'm loving every moment even the strain
It's crazy how much I miss a simple good morning kiss ohhh
It's crazy how much I've missed now it's time for me to live
OHHHH

Good morning

[Verse2:]

Good morning optimism good morning to my faith
Good morning to the beginning of a brand new day
I know that God's will will be done
So I lay down my pain and I'm moving on
OHHH OHHH oHHH
I know that God's will will be done
So it's a good morning after all
