

Indigo Girls, Anyway I Love You

leaving ain't fair you know
parting ain't just
people got to move on
people got to do what they must
and we're back together again
and i'm never gonna lose you as a friend
growing up free
growing up wild
if you want to know the secret behind the smile
you got to ask a tuesday's child
and we're back together again
and i'm never gonna lose you as a friend
well i guess that highway got a hold of me
thinking crazy thoughts like it was going to set me free
this ain't my place you know
this ain't my home
and i'm not going to feel right
til you get us back behind the microphones
and we're back together again
and i'm never gonna lose you as a friend
no i'm never gonna lose you as a friend
no i'm never gonna lose you as a friend
