

# Indigo Girls, Make It Easier

I'm in search of greener pastures, don't like my gar- den's what i said, although i'm working harder

I want to slide into the black and wear the black mask, i might not get what i lack, but it doesn't hurt

I went to sunday school every sunday swallowed the bait and i got the hook and when i needed so

I want to slide into the black and wear the black mask, i might not get what i lack, but it doesn't hurt
