

# Indra, Gimme What's Real

(A. Forbes/Beatboxking)

Your eyes never lie  
Boy I can read the news a mile away  
When you fantasize  
You see a girl who looks like me  
You're just afraid of givin' it all away

Gimme what's real  
Whatever you feel  
I can take it  
Gimme what's real  
I know you know the deal

I dare you to care  
Tell me the secrets you've been savin' up  
You've got love to spare  
I'm gonna feed you what you're cravin'  
Now that I know (oooh now that I know)  
When you're in love, it shows

Gimme what's real  
Whatever you feel  
I can take it  
Gimme what's real  
I know you know the deal  
Gimme what's real, only what's real  
Gimme what's real, only what's real

I like the way you hold me hold me  
When you tell me that you love me love me  
And everything was lovely-dovey  
Cuz I had known for a long time  
The feeling was strong and I had it goin' on  
If passion is the passion  
I'm stunning, my passion was flashin'  
Now my heart's got me runnin'  
Cuz we can never be, that's a no no  
Before you go go, remember I'm solo

Gimme what's real  
Whatever you feel  
I can take it  
Gimme what's real  
I know you know the deal

You've got to gimme what's real  
Whatever you feel  
I can take it  
Gimme what's real  
I know you know the deal  
Gimme what's real, only what's real

Shadows on the wall, they don't fool me at all
