

Indra, Take Me White

I'm gonna tell you what I want to do
With you boy, yeah Gonna tell what you do to me

You, you take me white
Take me, take me white away

Gonna tell what you do to me
And I won't tell you to baby
When I realize the game you play
And I love it love it love it maybe

I wanna tell you to
Take me white
I wanna tell you take me white away

You're the man who takes my breath away
Cause your mystery makes my.....
Will I find a way to stay someday
Or will become too crazy

All right, here we go
So get up stand up
What you wanna do
You wanna really really wanna
So get up and what I do
I really wanna wanna.....
I want to get to you
And you want to get to me
So You wanna wanna wanna.....
