

# Infant Sorrow, Inside Of You

Old as Ancient Skies  
I've had these wondering eyes  
But you took me by surprise when you let me inside of you  
Inside of you  
Inside of you  
There's got to be  
Some part of me  
Inside of you  
Inside of you, I could cross this desert plane  
Inside of you, I can hear you scream my name  
Inside of you, while the stars unfold  
I've crossed me heart and I've crossed the world  
And I need you here and I need to be  
Inside of you  
Now the flowers bloom  
I feel you creep into my room  
And if this should be our tune  
I'll die here inside of you  
And the world explodes  
I've never been down this road  
Teach me how to glow  
While I'm moving  
Inside of you  
Inside of you, the restless find their dreams  
Inside of you, this king has found his queen  
Inside of you, all the stars unfold  
I've crossed me heart and I've crossed the world  
And I need you here and I need to be  
Inside of you  
Inside of you  
Bay blue  
So say it's you  
To thoughts untrue  
Who I woo  
It's you I woo  
Through and through  
And through and through  
There's so much more than just a screw  
Inside of you  
And I was blizzard blind  
Felt like I've lost me mind  
But you've treated me so kind  
I don't know what to do.
