

Infected Mushroom, Special Place

Take me back take me back to my special place
Give it up give it up all the feels we shere
Take me back take me back to my special place
give it up give it up all the feels we shere
And i just don't care
All the feels we shere
And i just don't care
Bring it up bring it up , dont take me down
Bring it up bring it up
Bring it up bring it up
Bring it up bring it up
Bring it up bring it up
Bring it up bring it up
Bring it up bring it up
Bring it up bring it up
Bring it up bring it up
Bring it up bring it up
Take me back take me back to my special place
Give it up give it up all the feels we shere
Take me back take me back to my special place
Give it up give it up all the feels we shere
And i just don't care
All the feels we shere
And i just don't care
All the feels we shere
And i just don't care
All the feels we shere
And i just don't care
All the feels we shere
And i just don't care
