[Intro]

THE MASS THE MASS THE INFINITE MASS

If you hear any noise, it's just me and mah boyz  
If you hear any noise, it's just me and mah boyz  
If you hear any noise, it's just me and mah boyz  
If you hear any noise, it's just me and mah boyz  
Funkin' it up

Hey yeah... and me and my boyz gettin' funky only  
Infinite Mass runnin' down the street  
Me and Mah Boyz, Come on.

[Rodde a.k.a. Rigorod]

Right from beach back into the hood  
Infinite mass got the bottle  
Closer than a groupie and I  
Look for BD BD BD dove high  
I'm sending you a bud of the money to the chevy  
And from the old to the heavyweight school  
Fresh round fool (The Mass)  
The choice of the G-funk generation that is (whaaat)  
A group of domination so fifth year I never neglect  
The boyz who branch here triple X  
The plot thickens, a bunch of set of homiez  
[Takin' over - keepin' it right ah]

[Chorus]

If You Hear Any Noise, It's Just Me And Mah Boyz  
If You Hear Any Noise, It's Just Me And Mah Boyz  
If You Hear Any Noise, It's Just Me And Mah Boyz  
If You Hear Any Noise, It's Just Me And Mah Boyz

[Cham a.k.a. Chamdin]

Quick, break 'em off with a freaky tale  
about a clique who's deep as hell  
Chamdin, always been  
True to the M-A-double S  
The group you don't test  
We come like G's we dress like G's  
We cool like G's we get all the Ladies  
While I nod my head to the gangsta groove  
Real smooth (yep)  
We're now into groove (so)  
Honeyz step to me, I never step to 'em  
Tell'em it's my homiez, we share all ins  
See us in the joint, get the point it's me and Mah Boyz  
Playin' with hoes!

[Chorus]

If You Hear Any Noise, It's Just Me And Mah Boyz  
If You Hear Any Noise, It's Just Me And Mah Boyz  
If You Hear Any Noise, It's Just Me And Mah Boyz
