

Informatik, Peril Eyes

Empty mind
Lost colour blind
Faded time
All that's left behind
Step into
My point of view
Understand
My attitude

I'm paralyzed
By your peril eyes

Why am I
unsatisfied
Happiness
is not a crime
Yesterday
is not today
Must let go
but never throw away

I'm paralyzed (by your peril)
By your peril eyes (peril eyes)

I need to be certain
Shall i feel no sorrow
How can there be a future
When there's no tomorrow
