

Information Society, 14 Angels

When at night I go to sleep

14 angels watch do keep

Two my head are guarding

Two my feet are guiding

Two to whom 'tis given

To guide my steps

To heaven

To guide me

When at dawn my eyes do wake

14 angels my peace do take

Two there are who need me

Two there are who feed me

Two who sway before me show me

All I've known

Is wrong, that I am

Not me

Two there are to take my soul

Away from here

To guide my steps
