Crybaby

-----  
Information Society

If I could say I still loved you, I would do it.

For you.

And if I could say that I'd be true, I would do it.

You know I would do it.

But I can't ignore

The lives I've lived before.

And you will find

That you can't change my mind.

So cry, baby, cry, I don't care anymore.

Cry, baby, cry, 'cuz I'm out the door.

If I could stop the hands of time, I would do it.

On a dime.

And if I could say that you're still mine, I would do it.

You know I would do it.

But life goes on,

And I am already gone.

What can you say?

I'm still running away.

So cry, baby, cry, I don't care anymore.

Cry, baby, cry, 'cause I'm out the door.

Cry, baby, cry, turn your gray skies blue.

Cry, baby, cry, 'cause I'm over you.

So cry, baby, cry, I don't care anymore.

Cry, baby, cry, 'cause I'm out the door.

Cry, baby, cry, turn your gray skies blue.

Cry, baby, cry, 'cause I cried for you.

For you.
