

# Information Society, If It's Real

The two of us have seen it all  
The good times and the bad  
Life can be so cold  
When you think of what you've had  
The time has come to make a change  
I'll follow where you lead  
I can be so warm  
If I get what I need  
I always fail  
Whenever I try  
To explain to you  
The reason why  
I don't know what you're thinking  
And I don't know how you feel  
But I only want to be with you  
If it's real  
Only if it's real  
And when I learn you feel the same  
The future and the past  
We can make a change  
This time things can last  
And every time I think of you  
I can't believe it's true  
The world can seem so old  
But I'm born anew
