Information Society, One

Is it getting better Or do you feel the same Will it make it easier on you now You got someone to blame

You say... One love One life When it's one need In the night One love We get to share it Leaves you baby if you Don't care for it

Did I disappoint you Or leave a bad taste in your mouth You act like you never had love And you want me to go without

Well it's... Too late Tonight To drag the past out into the light We're one but we're not the same We get to carry each other Carry each other One...

Have you come here for forgiveness Have you come to raise the dead Have you come here to play Jesus To the lepers in your head

Did I ask too much More than a lot You gave me nothing Now it's all I got We're one But we're not the same Well, we hurt each other Then we do it again

You say Love is a temple Love a higher law Love is a temple Love the higher law You ask me to enter But then you make me crawl And I can't be holding on To what you got When all you got is hurt

One love One blood One life You got to do what you should One life With each other Sisters Brothers One life But we're not the same We get to carry each other Carry each other One... One... One... One...
