

Information Society, To Be Free

Staring at an empty screen
I can sometimes
Feel like dying
Doing what I have to do
I can almost
Hear you crying
This is how it feels
Funny how it's all so real
This is how it feels
To be free
To be free
Figures slowly come to life
Almost always
They are having
Minor problems minor strife
I can almost
Hear you laughing
This is how it feels
Using up the time we steal
This is how it feels
To be free
So this is how it feels to be free
