

Inga and Anush, Nor Par (Jan Jan)

How can I stay?
When you are away.
What can I say?
If you gonna tell me nothing.
How can I smile?
When you are alone.
How can I be without me?
Without me we cannot be
Cant you see?
We arent free,
Fixed like a tree
To the holy ground
With my sound
Gotta be always around
I wanna dance dont you stand
Sister, give your hand.
Everybody move your body
We are dancing NOR PAR
Everybody must be ready
Jumpin up with the NOR PAR
Par garunqi,par tsakhkunqi,
