Ingrid Michaelson, You And I

Don't you worry there, my honey
We might not have any money
But we've got our love to pay the bills
Maybe I think you're cute and funny
Maybe I wanna do what bunnies do with you
If you know what I mean

Oh, let's get rich and buy our parents homes in the South of France Let's get rich and give everybody nice sweaters and teach them how to dance Let's get rich and build a house on a mountain Making everybody look like ants from way up there, You and I, you and I

Well, you might be a bit confused And you might be a little bit bruised But baby, how we spoon like no one else So I will help you read those books If you will soothe my worried looks And we will put the lonesome on the shelf

Oh, let's get rich and buy our parents homes in the South of France Let's get rich and give everybody nice sweaters and teach them how to dance Let's get rich and build a house on a mountain Making everybody look like ants from way up there, You and I, you and I
