

# Inhaler, Love Will Get You There

I'm not dead  
I'm feeling so alive  
Yeah there's a deadly desire  
Hanging high over over my head

I couldn't reach it  
Too busy waiting on a moment  
And I tried so hard to forget  
You could only be a silhouette

Slow down  
My friend  
Love will get you there  
Love will get you there  
If you hold on  
My friend  
Love will get you there  
Love will get you there

And it rains harder  
If you deny it  
And slowly falls through the cracks  
In your mind  
When you're hanging on  
For dear life

I couldn't reach it  
Too busy waiting on a moment  
And i tried so hard to forget  
You could only be a silhouette

Yeah you got to  
Slow down  
My friend  
Love will get you there  
Love will get you there  
If you hold on  
My friend  
Love will get you there  
Love will get you there

I Took you to a place  
I know you've been before  
Love will get you there  
Its gonna pick you up  
Right up off the floor  
Love will get you there  
Its gonna get you there

Yeah yeah  
Yeah yeah  
Yeah yeah,  
You got to

Slow down  
My friend  
Love will get you there  
Love will get you there  
If you hold on  
My friend  
Love will get you there  
Love will get you there

Oh oh oh oh

Oh oh oh oh

Love will get you there  
It's gonna get you there
