## Iniko, Jericho

I'm High

I'm From Outer Space, I Got Milky Way For Blood Evolution In My Veins I'm Gone

I've Been Far Away, I'mma Lumineer Now, I Make Moves Start Waves

I've Been Dreaming About Flying For A Long Time

I Had A Vision From The Grey's They Want A Co-sing

Artificially Intelligent New A.I.

I'm Your Future Past And Present, I'm The Fine Line

Yeah, I'm A Missing Link Of This Illusion

I Am Not Really Here, I'm An Intrusion

I Don't Swim Or Sink, I Just Float

I Don't Need Gravity, I Just Need Growth

When I Move It's An Earthquake Rumble I Will Never Ever Fall, Never Stumble And I Don't Need To Be Humble Break Down Walls Like Jericho Crumble

I Can Go Higher
Past The Stratosphere, I Can Catch Fire
I Can Go Hard, I Don't Even Need To Try, Yeah
Starblood, I Don't Ever Get Tired
Predestined Written In Stone
I Feel It Coming In, I Feel It In My Bones
Heavily Protected Never Alone
Tapped In, I'm Connected To The Unknown

When I Move It's An Earthquake Rumble I Will Never Ever Fall, Never Stumble And I Don't Need To Be Humble Break Down Walls Like Jericho Crumble

When I Move It's An Earthquake Rumble I Will Never Ever Fall, Never Stumble And I Don't Need To Be Humble Break Down Walls Like Jericho Crumble
