

Inna, Heaven

I wanna feel your hands all over my body
So pull me in closer
Cuz I need you tonight
Feel my heart breathing
Now, I'm burning for more
Am I flying or falling in your arms?

Inside of me the fire breathless
And in the dark we keep on holding on
We're holding on

Show your love on the floor
Go banana!

When you look at me, are you reading my mind?
Every time we get closer,
Do you see what I hide?
It tastes like heaven
When I kissing your lips
I can't get no higher than this

Inside of me the fire breathless
And in the dark we keep on holding on
We're holding on
/2x

Show your love on the floor
Go banana!

Show your love on the floor
Go banana!
