

Inna, Maza

A bottle of rum
Champagne in my dome
But look what it's done
Since when you've been gone
And I'm all alone
I couldn't let go

Ride or dei
Don't know what I sit day or night
Got me hooked on a crazy ride
Am I wrong if I feel alright

And then my heart goes
Maza jaja /2x
Jane han lo pagaal nikal da /2x

2 bottles of rum
And I became numb
My heart's like a drum
Since when you've been gone
And I am all alone
I couldn't let go

Ride or dei
Don't know what I sit day or night
Got me hooked on a crazy ride
Am I wrong if I feel alright

And then my heart goes
Maza jaja /2x
Jane han lo pagaal nikal da /2x
