

# Insane Clown Posse, Bitches

(feat. Ol' Dirty Bastard)

Bitches!

Ha Ha Ha!  
Bitches, Ha!  
Bitches...

[Old Dirty Bastard]

BITCH, at any moment, that's what I'll do  
(You fucking bitches) I'll do it to you  
And a few of your crew  
at any moment (Yeah), that's what I'll do  
(ICP, ODB) I'll do it to you  
And a few of your crew  
(Bitcheesssss!)

[1st Verse - Violent J]

BITCH! WHAT THE FUCK?!  
What are you trying to do to me?  
You wasn't true to me  
When I was locked up you fucked something like 34 guys  
(Rrrghh!) But I let that slide  
'Cuz your ass is big, and your titties is fat  
I wanted to FUCK THAT  
But FUCK THAT  
I never gave a FUCK THAT, you put me through the courts (AND?)  
And gave me genital warts  
Now I stack my .9, I'm goin' for the knees  
I'ma blow 'em out and give your neck a squeeze  
(Agggghhh! Whoo!) As you're standing there, I'ma be like BITCH!  
(Ha ha!) You know you done fucked up, right?

[Chorus- Violent J]

Girl you know I love you, but now you gotta die  
(Now you gotta die, now you gotta die)  
Girl you know I love you, but now you gotta DIE  
(Never wanted it like that) [x2]

[2nd Verse- Old Dirty Bastard]

Bitch, don't talk about bitches I'm fucking them  
Please no fat bitches I'm fucking slim  
Unless it's one of those nights I'm stroking my shit  
I don't care 'bout how I'm fucking it  
How much it costs, big fat...crackhead?  
Ain't trying to hear all those words you said  
Five minutes, bitch (ahhhh) and I came  
Fuck your name, and from where you came

I don't give a fuck, bitch! I will kill you!  
You Shaquita! You Belinda! You too Passion...BITCH!

[Chorus]

(Ahhhhh....you bitches!!!)

[3rd Verse- Shaggy2Dope]

One thing I can't stand is these bitches  
Trying to take my riches, when I ain't even got none (Bitch!)  
I never lied, you knew what I wanted all the while (what?)  
My dick in your vertical smile (yeah)  
We kiss and hug, and snugg, and tickle  
But the bitch wouldn't even buff my fucking pickle (bitch)  
You fucked everybody else in the place, it's all good  
Now let me head-butt your face!

Bitch! I love you, but now you gotta die  
that's right (Bitches!), that's right  
Girl you know I love you, but now you gotta die  
(Bitches? Bitcheeesss!)

[Chorus x3]  
Girl you know I love you, you dumb bitch!
