

Insane Clown Posse, Crossing Thy Bridge

I've lived one hell of a life
If you're to take it tonight.
I've lived the life of a king.
But so much to darken my life.
Looking 360 Degrees
200,000 diseased
How can I lay back and chill
so many down on their Knees

But then again who am I
I'm just some typical guy
I ain't no fuckin hero
I've just been wondering why

I've seen some children crossing the bridge
What kind of life did they get to live
What kind of choice do they get to make
What if it was a child's mistake

I never question the book
but let's say I live by the book
I'd never eat meat on Tuesdays
How much bigger would my wings look

I try to pray everyday
but sometimes get lost on the way
I've seen the holiest spirit
so much to mislead the way

I've gave the visions I got
I've been told I'm gonna rot
Inside the devil's intestines
I'm still here holding my spot

I've just been wondering why
I've just been wondering why

I've seen some children crossing the bridge
what kind of life did they get to live
what kind of choice do they get to make
what if it was a child's mistake

come on and open up your door
What if it's a purgatory door?
come on and open up your door
What if it's a purgatory door?

I've seen some children crossing thy bridge
what kind of life did they get to live
what kind of choice do they get to make
what if it was a child's mistake

I've seen some children crossing thy bridge
what kind of life did they get to live
what kind of choice do they get to make
what if it was a child's mistake
