

Insane Clown Posse, Lets Go All The Way

aint nobody jealous

everybody has they own

nobody locked up

everybody, everybody is free to rome

look at that scrubby (jus chillin) with a hottie on his side

look at them rich kids, poor kids together on the same side

and they down to ride

CHORUS

Lets go all the way (lets go all the way!)

lets go all the way (lets go all the way!)

lets go all the way

Aint nobody left out everybody gets to go

it can never be too crowded c'mon we still pickin up some mo

dont nobody hate you playa hate you

there aint no hate at all

got a million hands here to catch you

they'll catch you and they never will let you fall

you aint gotta worry all of yall

~CHORUS~

Never no sickness, no sickness nobody has to die

everythings censored one thing is there

youll never havta wonder why

wont nobody rush you, no code red

be as long as you wanna be

can you guess what this place is

your future make it a reality all you havta do is follow me

~CHORUS x2~
