

# Insane Clown Posse, Mad Professor

[Dialogue between Violent J and Couch Guy]

[Violent J]

I was never popular, this I'll admit, fuck school never liked me, Goo!  
All the kids would always beat me, until I'm half-dead  
Make fun of the size of my forehead  
But that shit never bothered me, Mama and Mother  
They had a lot of property  
They had a science lab in the basement  
And that's where my free ti...well, my time was spent  
I made a mouse with a chicken head  
It clucked three times: CLUCK, CLUCK, CLUCK!  
And then it was dead  
I made a lot of things though, like a frog with a turkey neck  
gobblegobblegobble, it was the shit (yeah)  
But I'm still lonely, I need a homie  
So I collected limbs and made a zombie  
I could've made a girlie friend  
But fuck that, I got my girlie right here...yeah!

[Chorus]

You can call me Mad Professor  
I will make a friend for me  
You can call me Mad Professor  
We will rule eternity

[Dialogue between Violent J and a bitch]

[Violent J]

I used so many body parts it was crazy  
I killed a whole bunch of mother fuckers , like what, eighty?  
They all chipped in on my special friend  
Everything helps, Even if you got a finger to lend, come on  
I hear the other children playing outside  
&quot;Keep it down you little bitches, I'll skin your fucking hides!&quot;  
?Stressful?, this part is wack  
Some how I gots to attach this nut sack  
Shit! Fuck! I'm sawing off an elbow  
Looking at the meter I'm like ?Quasar and Ziphalo?  
Or better yet look out the fucking window  
I see a storms coming, almost time to roll  
Screw the head on, come on, come on  
It's the thuggish, ruggish, bone  
Okay it's time, hit the switch, turn it up a hert  
Fuck! Shit! Didn't work

[Chorus]

[Dialogue between Violent J and a wrecker serviceman]

It wasn't always easy (Hell no!) let me tell ya  
But fuck that, cause I ain't no failure  
I put the shit with the veins and this with that  
Wait a minute...(brrrt) did you hear that?  
It's alive! I just gotta wake it up  
Hand me that Rock & Rye pour it in a cup  
Give it to his ass wait, hold up, pause  
I ain't cleaning his draws man, fuck that  
Get him fat, get him ready, it's almost time  
Paint his ugly face up almost like mine  
I see him twitching, I'm on a roll  
He can help me tell the whole world about the carnival  
Turn the hertz all the way up for this shit  
And just wait for that lightning bolt to hit

Did it work? You make the call  
Shaggy? (What up, y'all!)

[Chorus 3X]
