

Insane Clown Posse, The Wraith: Shangri-La - W

violent j and shaggy 2 Dope:

Well hello boy and girls come on in see the show

It's the mystical, magical, great dark carnival.

Don't bother looking for parking,

it ain't like you ever comin back you fucking idiot.

The carnival emerges only when you about to die,

and right now motherfucker, you about dead in the sky

so come and put your soul up on the murder-go-round,

and we'll strap you down and send you into oblivion

I got a spike for your neck with my ninja blowgun, because I be the

Juggalada Don Dada Lada shogun

I swings my sword down and split you and two, before you even fall,

I Bitch smack both of you

Welcome to the Carnival 50,000 Juggalos, freaks and weirdos,

and killers at our shows. I'm just glad we down with em

hate to be y'all, and havea juggalo shatter my skull, for the Carnival

(Chorus)

Welcome to the show, Shangri-la of the Dark Carnival. because bitch boy you dead

Welcome to the show, Shangri-la of the Dark Carnival. Because you dead dead dead dead.

and fuck you if you don't like it

Shaggy 2 Dope and violent J:

Welcome to my exhibit, I be the Shaggs, sit back and enjoy

relax your nipples and nutbags. It's only Juggalos here;

you know what we about: swingin hatchets, Faygo,

and our dick in your mouth. So they call us a circus we accept the roll.

We been sayin that its comin for like 10 years or so

and everywhere that we from Alaska to Spain we seein Juggalos dancin

in th Faygo rain. Some of those at our shows feel a carnival high,

I seen them jump from the stage and float off into the sky.

They aint never comin back, their Carnival has been found,

and all we can do is dream about it smokin em down.

I got love for people and I hope to die.

I got Neden waitin on me up in Shangri-la.

But if you really wanna hear the fuckin devils exhibit, the shit

is called Hells PIT run out and get it.

(Chorus)

The ringleader: Ugh! Bitch! The Juggalos said...

Juggalo Chant:

When its your time, death is near, step right on over here, Games , prizes, shows, and rides- its the

(Repeat)

Welcome to the show, Shangri-la of the Dark Carnival.

Welcome to the show, its that Carnival paradise.

(repeat)

The Ring Leader: And fuck the fuck outta you if you don't like it.

(Juggalo Chant Repeats)
