

Inside Out, I Promise You

When you need a friend
Don't look to a stranger
You know in the end
I'll always be there
And when you're in doubt
And when you're in danger
Take a look all around
I'll be there

I'm sorry im just thinking of the right words to say
I know they dont sound the way i planed them to be
But if you wait around awhile I'll make you fall for me
I promise you, I proise you I will

I'm sorry im just thinking of the right words to say
I know they dont sound the way i planed them to be
But if i have to walk to world I'll make you fall for me
I promise you, i promise you i will.

When your day is through

And so is your temper

You know what to do

I'll always be there

Sometimes if I shout

It's not what's intended

These words just come out

With no cross to bear

I'm sorry im just thinking of the right words to say
I know they dont sound the way i planed them to be
But if you wait around awhile I'll make you fall for me
I promise you, I proise you I will

I'm sorry im just thinking of the right words to say
I know they dont sound the way i planed them to be
But if i have to walk to world I'll make you fall for me
I promise you, i promise you i will.

I gotta tell ya

I gotta tell ya

I gotta tell ya

I'm sorry im just thinking of the right words to say
I know they dont sound the way i planed them to be
But if you wait around awhile I'll make you fall for me
I promise you, I promise you I will

I'm sorry im just thinking of the right words to say
I know they dont sound the way i planed them to be
But if i have to walk to world I'll make you fall for me
I promise you, i promise you i will.
