

# Intronaut, Gleamer

When the truth won't do  
And lies are so fulfilling  
Hollow words  
Beget hollow gestures  
Hollow gestures  
Beget hollow ventures  
This impulse that dictates our nature  
Drives us to dysfunction  
Belligerent apathy  
Belligerent apathy  
Belligerent apathy would suit us so much better  
But our motives are too impure
