

# Inuyasha, Change the world (english version)

I want to change the world,  
Keep on holding on your desire,  
You will get a shining love,  
That you can reach alone  
If you go on to get your goal,  
It's wonderland.

I felt so worried when I spent all the time  
thinking of the future of us  
'Cause I know, there's nothing  
That I really want to know.

And then I met you, so I could feel,  
What you should know:

I've finally found your love,  
And now I'm really feeling all right,  
'Cause the nightmare has gone,  
This is the way to love you.

I want to change the world,  
Walk again never miss the way,  
Don't be afraid I'm with you,  
And we can fly away,

If you can stay with me forever,  
Change my mind,  
Won't get lost if your passion's true,  
I'm gonna fly with you again,  
So you can spread your wings,  
And you will fly with me away,  
It's wonderland.

We gotta swim against the tide and the flow  
Till the day when we'll get your goal  
You will see that your desire  
Will be granted again

This is the feeling you'll understand  
The troubled life....

It won't be too bad to face  
And any problem you will see  
Will not to be too hard

If I can walk beside you  
I want to change the world  
Walk again, fight against the wind  
Dont be afraid to be true

'Cause now you have to bring  
The power of your smile on your face  
Change my mind

Keep on holding on your desire  
You will get a shining love  
That you can reach alone

If you go on to get your goal  
It's wonderland.

I want to change the world,  
Walk again never miss the way,  
Don't be afraid I'm with you,

And we can fly away,  
If you can stay with me forever,  
Change my mind,  
Won't get lost if your passion's true,

I'm gonna fly with you again,  
So you can spread your wings,  
And you will fly with me away,  
It's wonderland.
