

# INXS, I'm Just A Man

I'm just a man  
My will is so strong  
When I've got plans  
I close my eyes to the pain

My mother ran  
My father left town  
But we still have what's necessary to go on

Flesh and blood  
Flesh and blood

I'm part of you  
Your part of me  
There's nothing said  
That cannot be undone

My brother's sane  
His heart is so strong  
He's killed some pain  
To himself nearly did the same

It washed away  
Into the cruel sea  
Like everything that's built upon the sand

Flesh and blood  
Flesh and blood

Sweet sister T  
She loved so long and hard  
Kept to herself  
Until that right man came along

Some men they lie  
Some men they cheat  
But now she's found  
Someone to be as strong

I'm just a man  
My will is so strong  
When I've got plans  
I close my eyes to the pain

My father ran (flesh and blood)  
My mother left town  
But we still have (flesh and blood)  
What's necessary to go on

I'm part of you  
Your part of me
