

# INXS, Listen Like Thieves

On the talk back show  
On the radio  
At the local bar  
In the hot traffic  
By the red tail lights

Everybody's down on their knees  
Listen like thieves  
But who needs that  
When it's all in your hands

And we take it down  
To the end of town  
Where they have control  
But they're losing touch  
When the lights go out

You are all you need  
You are all you need  
So don't hesitate  
There's no time to waste  
You just do it for yourself
