

# INXS, Show Me (Cherry Baby)

Show me, show me  
Show me how  
Show me, show me  
Show me how

Oh cherry  
Oh cherry baby  
Oh cherry  
Oh cherry baby  
Oh cherry  
Oh cherry baby  
Oh cherry  
Oh cherry

I found you wanting  
Like everyone  
Always trying, happy lying  
'Cos I'm no stranger to the ways of the world  
I felt like crying  
I felt like dying  
We took a coffee, you took it so strong  
Shaded from the neon  
I could still see your eyes

Oh cherry  
Oh cherry baby  
Oh cherry  
Oh cherry baby  
Oh cherry  
Oh cherry baby  
Oh cherry  
Oh cherry baby

Found in the gutter  
With a knife in her back  
Letter said sorry, please don't worry  
She had a lover  
With danger in his eyes  
I tried to tell her  
But she had the wildest heart

Show me, show me  
Show me how  
Show me, show me  
Show me how  
Oh cherry  
Oh cherry baby  
Oh cherry  
Oh cherry baby  
Oh cherry  
Oh cherry baby  
Oh cherry

Show me, show me  
Show me how  
Show me, show me  
Show me how  
Show me, show me  
Show me how  
Show me, show me  
Show me how
