

INXS, The Strangest Party (There Are The Times)

Welcome to the strangest party baby
It's like we're staring at the sun
Everybody's got their invitations
Hopin' that you're gonna come yeah
These are the times
Times
These are the crimes
Crimes
What are we waiting for
What are we hating for

You're part of the solution
Or part of the problem
You're gonna have to dance with one
You're giving up on
The future honey
I'll count you out of having some

Here comes the rain
Yeah here comes the rain yeah

These are the times
These are the crimes
What are we waiting for
What are we hating for

Wash away the rain yeah
Into the blue sea yeah

These are the times
These are the times
