

INXS, The Strangest Party (These Are The Times)

Welcome to the strangest party baby
It's like were staring at the sun
Everybody's got their invitations
Hoping that your gonna come, yeah

These are the times
These are the crimes
What are we waiting for
What are we hating for

Your part of the solution
Or part of the problem
Your gonna have to dance with one
Your giving up on the future honey
I'll count you out of having some
Yeah, some

These are the times (times)
These are the crimes (crimes)
What are we waiting for
What are we hating for

Here comes the rain
Yeah, here comes the rain yeah

These are the times
These are the crimes
What are we waiting for
What are we hating for

These are the time (times)
These are the crimes (crimes)
What are we waiting for (what are we)
What are we hating for (waiting for)

Wash away the pain
Into the blue sea, yeah
