

# INXS, We Are The Vegetables

Well I've got this feeling in the back of my head  
I feel like making someone's face turn red  
Learning bike's and ditto vices  
Try to look bored and your going places

We are the vegetables  
We are the vegetables  
We are the vegetables  
We are the vegetables

Some music is playing by metal gazers  
It's gone through the stage where everyone makes it  
Do you think that we're not good  
All I really know is I think you should

We are the vegetables  
We are the vegetables  
We are the vegetables  
We are the vegetables

Well I've got this feeling in the back of my head  
I feel like making someone's face turn red  
Learning bikes and ditto vices  
Try to look bored and your going places

We are the vegetables  
We are the vegetables  
We are the vegetables  
We are the  
We are the  
We are the Vegetables
