

# Iona, Dancing On The Wall

It started with a dream and I could see it all  
I had a vision and I heard you call me  
Now the dream is over but the voice remains  
I am part of something that is going  
To change things for the better  
To change things for the better

And I hear you call  
And I see you dancing, dancing on the wall  
The writings on the paper, the names upon the page  
The past part of the present  
And this coming of age  
I see a revolution I never thought would dawn  
I am part of something that's going to go on  
And on for the better  
To go on and on for the better  
And I hear you call  
And I see you dancing, dancing on the wall  
It started with a dream and I still recall  
I see a bridge where there once was a wall of stone  
Now the dream is over and the picture will fade  
But I am part of something  
That is going to sway things for the better  
Going to sway things for the better  
And I hear you call  
And I see you dancing, dancing on the wall
