

# Iona, Divine Presence

Diaga i lathair Divine presence

I wish this boat could carry me to You  
For I am thirsty for Your love  
But it lies deeper than this ocean blue  
And all this beauty is no substitute

Chorus:  
For Your divine presence  
Your divine presence  
With me

I wish this wind could carry words to me  
To tell You what is in my mind  
But deep within my soul Your Spirit speaks  
With words that I could never find

(Chorus)

There is nothing like Your love...

(Chorus)  
Diaga i lathair Divine presence  
A R m&oacute;r na ndil King of creation  
(Four times)

Bi-se I Mo Shuil - Part 2  
B-se i mo shil Be my eyes  
A R mh&oacute;r na ndil Oh King of creation  
Lon thusa mo bheatha Fill my life
