

# Iona, Iona

Safe within these shores  
I feel no conflict here  
I feel my spirit soar  
Within this sanctuary

Iona, Iona

There are no ghosts to haunt me  
There is no blood upon this land  
No power to make me fear  
No hour of darkness here

Iona, Iona

All bathed in emerald  
Out of the mist arise  
I see the stones appear  
A cross before my eyes

Iona, Iona, Iona
