

Irene Cara, Flashdance

First when there's nothing but a slow glowing dream
That your fear seems to hide deep inside you mind
All alone I have cried silent tears
Full of pride in a world made of steel, made of stone
Well I hear the music
Close my eyes, feel the shythm
Wrap around, take a hold of my heart

* What a feelingbein's believin'
I can have it all now, I'm dancing for my life
Take your passion and make it happen
Pictures come alive
You can dance right through your (my) life

Now I hear the music, close my eyes
I am shythm
In a flash, it takes hold of my heart
(Repeat *)

What a feeling
What a feelin (I am music now)
Bein's believin' (I am rhythm now)
Pictures come alive

You can dance right through your life
What a feeling (I can really have it all)
What a feeling (you just come out of night when I call)
I can have it all (I can really have it all)
Have it allfade
