

Irene Grandi, A Natural Woman

Looking out on a morning rain
I use to feel so uninspired
And when i knew i had to face another day
Boy,it made me feel so tired

Before the day i met you
Life was so unkind
and you're the key to my peace of mind

'Cause you make me feel
You make me feel
You make me feel
You make me feel like a natural woman

When my soul was in the lost and found
You came along to claim it
I didn't know just what was wrong with me
till your kiss helped me name it

Now i'm no longer doubtful
Of what i'm living for
And if i make you happy i don't need to do more

'Cause you make me feel
You make me feel
You make me feel
You make me feel like a natural woman

Oh baby wath you've done to me
You make me feel so good inside
And i just wanna be
Close to you, you make me feel so alive

'Cause you make me feel
You make me feel
You make me feel
You make me feel like a natural woman
