

Irene Grandi, Resist You

duet with James Reid
(J. Reid, I. Grandi, R. Cavalieri)

Il tempo che se ne va
come una goccia nel mare cos'
il tempo una persona
che incontri e che non rivedrai mai

E l'allarme suona
un lungo sonno senza sogni cos'
ma adesso che ho te
una pioggia di acqua fresca dentro me

Io non so cos' non resisto
una storia che anima l'anima mia
io non so cos', io non resisto
una storia che, una storia che... scivola via

No matter where I stand
I always feel I'm losing you
I try my best to please you
but I couldn't let you go

That was my first mistake and
it will never be my last
I gave you space I gave you freedom
but I can't forget the past

And I wanted so much to resist you
but I didn't want to fall apart over you
it's so hard, it's so hard to resist you
now I feel like I'm falling falling falling for you

Mi manchi sei l'aria per me io respiro per te
ti respiro
oh not my heart again
it is broken broken in two, over you

And I wanted so much to resist you, non resisto
but I didn't want to fall apart over you
it's so hard, it's so hard to resist you, non resisto
now I feel like I'm falling falling for you
