

Iris, Lady In Black

I:

Era-ntr-o dimineata
O alba dimineata
A aparut, cu parul ei
In vantul iernii, nins
Eu n-am stiut de unde
Si cum de m-a gasit
In noaptea gandurilor sumbre
In mine-a rasarit

II:

She asked my name my foe then
I said the need within some men
To fight and kill their brothers
Without thought of love or God
And I begged her give me horses
To trample down my enemies
So eager was this passion
To devour this waste of life

Ah ah ah

III:

But she would not think of battle that
Reduces men to animals
So easy to begin
And impossible to end

IV:

Priveste lumea cu ochi vii
Din dragoste ai sa re-nvii
S-a-ntors din viata si-a plecat
Lasand un gand curat

Ah ah ah

V:

Era-ntr-o dimineata
O alba dimineata
A aparut, cu parul ei
In vantul iernii, nins

VI:

And I know not how she found me
For in darkness I was walking
And destruction lay around me
From a fight I could not win

Ah ah ah
