

# Iron Maiden, Blood Brothers

(Harris)

And if you're taking a walk through the garden of life  
What do you think you'd expect you would see?  
Just like a mirror reflecting the moves of your life  
And in the river reflections of me

Just for a second a glimpse of my father I see  
And in a movement he beckons to me  
And in a moment the memories are all that remain  
And all the wounds are reopening again

We're blood brothers, we're blood brothers  
We're blood brothers, we're blood brothers

And as you look all around at the world in dismay  
What do you see, do you think we have learned  
Not if you're taking a look at the war-torn affray  
Out in the streets where the babies are burned

We're blood brothers, we're blood brothers  
We're blood brothers, we're blood brothers

There are times when I feel I'm afraid for the world  
There are times I'm ashamed of us all  
When you're floating on all the emotion you feel  
And reflecting the good and the bad

Will we ever know what the answer to life really is?  
Can you really tell me what life is?  
Maybe all the things that you know that are precious to you  
Could be swept away by fate's own hand

We're blood brothers, we're blood brothers  
We're blood brothers, we're blood brothers

When you think that we've used all our chances  
And the chance to make everything right  
Keep on making the same old mistakes  
Makes untipping the balance so easy  
When we're living our lives on the edge  
Say a prayer on the book of the dead

We're blood brothers, we're blood brothers  
We're blood brothers, we're blood brothers

And if you're taking a walk through the garden of life....
