

Iron Maiden, Educated Fool

Im an educated fool
So I dont know what it is Im supposed to do
About this awkward situation
Thats been forced down right upon me
As Im walking down into
On my own into the Valley of life
Got a lifetime of experience
Yeah Ive got so much to give
Open the page at chapter one
Could this just be that lifes just begun
Forever within your darker thoughts
Reflecting on everything youve been taught
Never felt this way before
Seems that somebodys just opened the door
To the book of life or is it death
Is there ever anyway out
Someones looking down on me
To the very inner core of my soul
They wont tell me what they see
But I really want to know
I want to leave my life on my own
I want to lift the unturned stone
I want to walk right into the fire
I want to live out all my desires
I want to go and see the fire burn
I want to see and feel my world turn
I want to know what more theres to learn
I want to pass the point of no return
Do you really wanna be
Just another one statistic or feel
That you really should aspire
That you really do deserve more
Do you ever really feel
That you have so much potential inside
What you really have to give
Could be realised so much more
I want to leave my life on my own
I want to lift the unturned stone
I want to walk right into the fire
I want to live out all my desires
I want to go and see the fire burn
I want to see and feel my world turn
I want to know what more theres to learn
I want to pass the point of no return
Time will flow
And I will follow
Time will go
But I will follow
Time will Flow
And I will Follow
Time will Go
But I will Follow
I want to feel what lifes like respond
I want to meet my father beyond
I want to walk right into the light
I want to feel no fear but delight
I want to leave my life on my own
I want to lift the unturned stone
I want to walk right into the fire
I want to live out all my desires
Time will Flow
And I will Follow
Time will Go
But I will Follow

The Educated Fool
