

# Iron Maiden, Hallowed By Thy Name

(Harris, Bayley, Gers)

Sometimes when I feel the anger  
Sometimes when I'm all alone  
Sometimes when I feel surrounded  
Like all the doors are closed  
I feel like I've been a prisoner  
I feel like I've been a tool  
Let people try to judge me  
When they're not in my shoes  
\*I've lived on my knees  
Trying to please  
It's time to change  
Some people are only happy  
When they can watch you fail  
And to them every day is  
Another coffin nail  
I think that I've found the answer  
I think that at last I know  
We've only got one lifetime  
I'll make my life my own  
\*Repeat  
To live my own way  
I live my way  
Living for today  
Don't care what they say
