

# Iron Maiden, Hooks In You

(Dickinson/Smith)

I got the keys to view at number 22  
Behind my Green door there's nothing to see  
Stone cold sober and sitting in silence, laid  
back and looking for sympathy  
I like a girl who knows where she's bound  
I don't like girls who've been hanging around

[Chorus:]  
Hooks in you, hooks in me, hooks in the ceiling  
For that well hung feeling  
No big deal, no big sin, strung up on love I  
Got the hooks screwed in

[Chorus]  
She's tied up she can't come to the phone,  
You must have got your wires crossed cos she ain't home  
Knock on wood - you know I like that sound  
She never could keep her feet on the ground

[Chorus]  
Hooks in you, I've got those hooks in you  
Hooks in you, in you  
Right on the money got it wrapped up tight  
New ideas for the decor tonight  
Gonna make this house a preservation zone  
Gonna set her in concrete set her up on her own

[Chorus]
